Notes:

- The manufacturer is allowed to affix the U.S. Coast Guard approval number as stated in the appendix attached hereto and as allowed by the "Agreement between the European Community and the United States of America on Mutual Recognition of Certificates of Conformity for Marine Equipment" signed February 27th, 2004 and amended by Decision No.1/2008 dated February 18th, 2019.
- This certificate provides the basis for the manufacturer or (if applicable) his authorised representative established within the European Union in conjunction with the EC Type-Examination Certificate (Module B) of the equipment listed in the scope to affix the "Mark of Conformity" (wheelmark) to the product described herein.
- This certificate loses its validity if the manufacturer makes any changes or modifications to the approved quality system, which have not been notified to, and agreed with, the notified body named on this certificate.
- This certificate is not valid for equipment, the design or manufacture of which, has been varied or modified from the specimens tested.
- The manufacturer has to apply for annual audits to verify the maintenance and application of the quality system.

Example for the application of the "Mark of Conformity":

2812/2022

2812: number of the Notified Body responsible for the quality surveillance module

2022: The year in which the mark is affixed
